April 22.-24. 2015. Zagreb, Croatia

Dear Madam or Sir,

I hereby confirm that **Muhammad Dimas Dewantara** has been selected to participate in Manager20 – Youth Reshaping the Future conference.

**MANAGER20 - YOUTH RESHAPING THE FUTURE** is an international student conference organised by a group of ambitious students from Faculty of Economics and Business in Zagreb. The conference will bring together young individuals and give them a great opportunity to learn, develop and to network. It will be held in Zagreb, at Faculty of Economics and business, from April 22<sup>nd</sup> until April 24<sup>th</sup> 2015.

Organisers of the conference are members of three non-profit student organisations: Croatian Student Association, AIESEC Zagreb and Financial Club. Since the conference is non-profit, and organised by students, participation in the conference is completely free. However, the participants are responsible for obtaining a visa and for travel and accommodation expenses on their own. Estimated costs for a three day stay in Zagreb are given as follows:

|                              |      |
|------------------------------|------|
| <b>Accommodation</b>         | 45 € |
| <b>Public transportation</b> | 20 € |
| <b>Food and Drinks</b>       | 50 € |

The main motivation for this conference was the twentieth birthday of the student business magazine “Manager”. Therefore topics of the conference were inspired by three main sections of the magazine.

**YOUTH RESHAPING THE FUTURE**  
**April 22.-24. 2015. Zagreb, Croatia**

The topic of the first day is „An Enterprise In The Modern Economy – In Step With Global Trends“ which will cover challenging topics about leadership and management, entrepreneurship, modern trends in business and startups. On the second day, our speakers will answer the question “Is a degree enough today?” and new possibilities for the students will be introduced. The third and last day is dedicated to „Success through passion“ with lectures aiming to motivate and inspire participants to succeed with doing what they love. The conference will host more than 20 distinguished international speakers, including business leaders, inventors, entrepreneurs and professors.

Official Certificates of Participation will be given to the participants on the last day of the conference.

It would be a great honour if you could support the selected participant and provide him the funds needed to attend the conference.

Sincerely,

**Lada Rajković**
